**MESSAGE**

*By education I mean an all-round drawing out of the best in the  
child and man; body, mind and spirit*

-Mahatma Gandhi

I am happy to note that the Board of Intermediate Education (BIE) is bringing out 'Academic Organizer' as an annual feature benefitting the Principals, Lecturers fraternity and Students.

I am also happy to note that as a mark of Telangana State formation day this academic organizer is being launched on 2<sup>nd</sup> June this year.

I wish the Board of intermediate education, management, faculty members and students all the best in their endeavours.
