## MESSAGE

I am happy that the Telangana State Board of Intermediate Education is going to publish the Academic Organiser for the Academic Year 2017-2018. It is undoubtedly a precious book as it contains very important guidelines for all those who are involved in the sacred mission of imparting Intermediate Education in the State.

Quality Education involves sincere administration too. Unless the Principals of the Junior Colleges are equipped with the necessary know-how to run the colleges well, they cannot equip their students with the competitive edge to shine in their careers. This Organiser is well designed covering all aspects like Rules of Academic Guidance and Monitoring Cell (AGMC of Govt. Junior Colleges), Rules of Affiliations of all the junior Colleges, Maintenance of Libraries, Lesson Plans, Subject Wise Annual Academic Plans, Procedure for obtaining various Certificates from the board of Intermediate Education etc.

Compiling such a vast Academic Organiser is not an easy job. I specially congratulate the team of Officers who have taken special care to materialise this Organiser for the benefit of the Academicians, Administrators and the Students. I am sure this Organiser will be of immense help to all the Principals, Faculty and Students involved in Intermediate Education.
